Customer Profile: Danita Brewster

Danita has been a customer since our doors first opened last September. Danita is a proud mom of three children and the wife of a Boston Police Detective. Danita has been a teacher for 22 years and works at the Early Learning Center in Dorchester. Danita's first took Cathy Payson's Advanced Knitting Class and made a beautiful cabled & bobbled hat from the 25th anniversary edition of Vogue Knitting magazine. This past Spring she worked on color with Katie Rose. As part of Katie's class they practiced double stitching, intarsia and color blocking. Danita and her family work hard raising money for breast cancer research. In the last 3 years Danita with her family and friends have raised over \$1300.00 that has been donated to the Avon 2 Day Walk for A Cure. Breast Cancer has touched many women in her family and feels it is important for her to do her part to find a cure. Stitch House hosted a girls night out fundraiser for Danita and the proceeds helped her fundraising effort. That night Danita decided to try her hand at sewing and worked on a beautiful, pinwheel baby quilt for a friend. (see photo)

Support the search for a cure—purchase a \$5 ribbon at Stitch House. 100% of the proceeds are donated directly to the Avon Walk for Breast Cancer Research.
