January 2008

Stitch House owner, Annissa, has been sewing since she was a little girl. She specializes in flower girl dresses, Christening gowns and Communion Dresses. A few samples are on display in the shop. Nothing is sweeter than a custom made dress for a special girl in your life or to celebrate the Christening of a new baby in a beautiful gown.

Call the shop or email Annissa for a consultation.

**Stitch House January Featured Yarn— LOUET YARNS**

**Euroflax** linen yarn is made out of flax-fiber, which is custom wet spun for Louet North America. The factory where our yarn is spun has been in operation for several generations and they are capable of very high quality, fine yarn production including double-boiling the yarn to give us a very soft and exceptional quality. We also steam process the yarn to ensure maximum softness.

Our **MerLin** yarn is a magical blend of super soft Gems Merino and wet spun Euroflax Linen. These two high quality yarns combine to make a wonderful yarn with beautiful drape and soft handle. The linen yarn lends strength and sheen to our soft merino wool.

Our **KidLin** yarn is a unique combination of Kid Mohair and Euroflax Linen in gorgeous colors. This soft, delicate yarn will create dainty garments that are warm with beautiful drape. Very luxurious, with the secret strength of linen.

Louet North America's newest edition to our ever-expanding collection of yarns! **Riverstone** is a new wool available at Stitch House in Chunky weight. This wool can be used for felting projects or for knitting beautiful warm sweaters.
