

Sculptured City Cowl

by Annissa Essaibi George 2009

This cowl is too cool to be just be a cowl and since it was designed and made by a city-girl (Dot Rat to be exact) it needed a better name than just cowl. With hoops and a puffy jacket – it is ideal for kicking around Dot or shopping on 5th Ave.

Materials

- 2 Skeins Blue Sky Bulky
- size 17 needles
- 2 large buttons

Cast On 17 Stitches
